Dear Sir

## Numismatics

We can offer you the following unique  
collection, subject to intermediate sale:-

Sale Catalogues. A Collection of upwards  
of 400 auction sale catalogues of coins  
and medals, all officially priced and  
named, covering the period 1751-1886.

(London, v.d.) £15.

8vo and 4to. Some in orig. wrappers  
and many bound. For the most part in  
good condition. The majority are dated  
between 1840 and 1880 for which period  
they would seem to be almost complete  
for sales held in England of any  
importance. There are 5 catalogues  
previous to 1800 including the collections  
of Richard Mead and James West, while the  
later sales include such famous collectors  
as the Trattle, Young, Thomas, Cuff and  
Northwich sales, etc. etc. They contain  
a wealth of information as to the  
provenance of known and esteemed coins.

Yours faithfully,

*Grafton & Co*
